With the fast pace of technical change and the continuous rollout of updates, it is difficult to keep knowledge up to date, and ensure you are getting the most from your products and support.

Unified-Support recognize the need to continually review and evangelize to ensure your solutions are fit for purpose, leading to high adoption and satisfaction.

Utilizing our extensive operational, service and support experience across numerous types of client bases, we can play a part in devising robust training plans for the future.

At Unified-Support we think differently, our ethos is to charge for support as you need it when you need it, tailored to your needs – you get enhanced support at a fraction of the traditional cost.

How does it work?

- Unified-Support collaborate with you to build an agreed output program in advance to ensure we meet your needs.
- Unified-Support dispatch a specialist team to your location when you need it and conduct a full needs analysis, seeking and utilizing input from existing teams, end users and technology specialists.
- Training is built to our mutually agreed standards putting forward long-term plans, recommendations and roadmap based upon experience and tailored to our client's environment.
- Delivered in person, online and in hard copy, putting the client first and in command – be prepared for the future!
